  2022-2025

- Bachelor of Arts in Theatre
  Ithaca College
  2003-2007

SUMMARY

LEXI is a theatrical, feminist filmmaker with a passion for poetic, femme narratives and a detailed eye for evocative image-based work that is authentic yet highly stylized and expressionistic. She thrives on artistic limitations and runs an open, driven, collaborative environment that encourages and embraces transparency, safety and individual creativity. Drawing from her theatre background, she has an extensive knowledge of modern and classical styles of acting, script analysis and a strong visual eye.
